

WATER AND WASTEWATER TREATMENT PLANTS A SMARTER APPROACH TO CONSTRUCTION MATERIALS

EXPERT SOLUTIONS FOR WATER AND WASTEWATER TREATMENT

Meet all your construction needs from one source

SIKA® CONCRETE WATERTIGHT SYSTEM

- Sika® Watertight Concrete Integral admixtures to insure the watertightness of your structure
- Sika® ViscoCrete® Water Reducers for improved durability and production of Self Consolidating Concrete (SCC)
- Enhance the durability of your structure with Sika® Control Shrinkage Reducing Admixture, Sika®-Ferrogard® corrosion control, and Sika® Fibres

BELOW GRADE WATERPROOFING

- SikaProof® pre-applied, fully bonded waterproofing membrane system
- SikaBit® post-applied, self-adhered waterproofing membrane
- Integral waterproofing concrete admixtures

WATERTIGHT CONCRETE JOINTS

- PVC waterstops
- SikaFuko® injectable hose waterstop for redundant waterstop protection
- Chemical injection grouts for sealing leaking joints/cracks

Sikagard EPOXY COATINGS

(Mechanical Rooms)

- Chemical resistant and moisture tolerant epoxy coatings
- Excellent adhesion to concrete
- Superior abrasion resistance to long-term wear
- Outstanding chemical resistance for long-term protection

JOINT SEALANTS

- Over 25 years of performance in waste and A complete range of concrete repair water treatment applications
- Full range of sealants
- Sealants designed for total water immersion and chemical resistance
- Weathersealing for buildings and offices
- Durable self-levelling sealants for horizontal applications

REFURBISHMENT

- products approved for contact with potable water and CE marked
- Pre-bagged range of gunite products to fit your project needs
- Crack repair solutions for structural and active water leaking cracks
- Epoxy coating systems for protection of the interior walls of concrete tanks
- A selection of products to control the corrosion of reinforced concrete

FOR MORE INFORMATION:

WHO WE ARE

Sika Limited and Sika Ireland Limited are part of the global Sika Group, specialising in the manufacture and supply of chemical based products for construction and industry. Sika is a world-leader in its field with subsidiaries in 90 countries around the world and manufactures in over 160 factories. With approximately 17,000 employees Sika generates annual sales of CHF 5.6 billion (£3.9bn). We are also committed to providing quality, service, safety and environmental care.

In the UK and Ireland, we provide market-leading solutions for concrete, waterproofing, roofing, flooring, refurbishment, sealing & bonding, and industry, and have manufacturing sites in Welwyn Garden City, Preston, Leeds and Dublin with more than 700 employees and a turnover of more than £190 million.

The information, and, in particular, the recommendations relating to the application and end use of Sika® products, are given in good faith based on Sika's current knowledge and experience of the products when properly stored, handled and applied under normal conditions. In practice, the differences in materials, substrates and actual site conditions are such that no warranty in respect of merchantability or of fitness for a particular purpose, nor any liability arising out of any legal relationship whatsoever, can be inferred either from this information, or from any written recommendations, or from any other advice offered. The proprietary rights of third parties must be observed. All orders are accepted subject to our current terms of sale and delivery. Users should always refer to the most recent issue of the Product Data Sheet for the product concerned, copies of which will be supplied on request..
