PRODUCT DATA SHEET

Aldirez®-211

Aldimine curing agent

DESCRIPTION

Aldirez®-211 is a bis-aldimine which, upon contact with moisture, yields a diamine to act as a crosslinker for isocyanates in polyurethane or polyaspartic products.

USES

Aldirez®-211 may only be used by experienced professionals.

FEATURES

Prevents the production of CO_2 gassing which would result in bubbling and film defects, even at elevated temperature and humidity. Extends the pot life in 2k polyisocyanate systems with minimal impact on film cure speed.

PRODUCT INFORMATION

Packaging	0.5kg 180kg 875kg
Colour	A clear colourless to slightly yellow liquid
Shelf life	12 months
Storage conditions	Keep container tightly closed in a dry and well-ventilated place.
Density	0.86-0.87 g/cm³
Viscosity	40-70 mPa·s @ 20°C
Active content	141 g/eq

BASIS OF PRODUCT DATA

All technical data stated in this Data Sheet are based on laboratory tests. Actual measured data may vary due to circumstances beyond our control.

IMPORTANT CONSIDERATIONS

This product is sensitive to moisture. After use, purge the container with dry nitrogen before resealing.

LEGAL NOTES

The information, and, in particular, the recommendations relating to the application and end-use of Sika products, are given in good faith based on Sika's current knowledge and experience of the products when properly stored, handled and applied under normal conditions in accordance with Sika's recommendations. In practice, the differences in materials, substrates and actual site conditions are such that no warranty in respect of merchantability or of fitness for a particular purpose, nor any liability arising out of any legal relationship whatsoever, can be inferred either from this information, or from any written recommendations, or from any other advice offered. The user of the product must test the product’s suitability for the intended application and purpose. Sika reserves the right to change the properties of its products. The proprietary rights of third parties must be observed. All orders are accepted subject to our current terms of sale and delivery. Users must always refer to the most recent issue of the local Product Data Sheet for the product concerned, copies of which will be supplied on request.
