

SIKALASTIC® ROOFPRO PU

1-DAY PU LIQUID APPLIED MEMBRANE INSTALLER PRACTICAL TRAINING & ASSESSMENT COURSE

Roof Assured By Sika®

Sika®

SIKA – A GLOBAL LEADER IN WATERPROOFING TECHNOLOGIES

Sika is a globally renowned chemicals and waterproofing manufacturer operating in 5 continents and over 100 countries worldwide. With over 170 manufacturing plants and more than 17,000 employees', Sika is well placed to deliver the highest quality products, systems, and solutions to the UK waterproofing market.

THE IMPORTANCE OF BECOMING A ROOF ASSURED BY SIKA INSTALLER

The Roof Assured programme by Sika has been running for over 10 years in the UK and is respected by homeowners as a source of valuable information, advice and resources when considering their next flat roofing project.

Once trained and assessed, you will become a "Roof Assured by Sika Installer" where you will have exclusive access to the respective Sika RoofPro range of either Single Ply, Liquid and Bituminous waterproofing systems and be able to apply for Sika Products Guarantees to support your business. In addition, you will also get visibility of LIVE project leads from Sika where you will be able to propose and install the excellent Sika RoofPro waterproofing systems.

THE RIGHT ROOFING SOLUTION FOR EVERY PROJECT!

Further details and information can be found at **http://www.roofassured.co.uk**

INSTALLER BENEFITS & ADVANTAGES

- **GUARANTEES**
  For up to 20 years*, the Sika Product Guarantee will compliment your workmanship guarantee giving your customer complete pce of mind.
  *Please refer to Product Brochures and Datasheets for required system build-up and respective guarantee length for either Sikalastic D-10 RoofPro or Sikalastic D-15 RoofPro Advanced.
- **EXPERTISE**
  Training, knowledge, and system understanding will ensure that you are able to cost and install the respective RoofPro system minimising waste, utilising your enhanced skills to overcome challenges on the project.
- **ROOF ASSURED LEADS**
  Receive and service leads generated via the dedicated Roof Assured website, serviced by our national network of stockists.
- **TRAINING**
  The provision of liquid-applied training held at either our dedicated training academy in Preston or at local Sika stockist, will promote familiarity and confidence in the installation of our Sikalastic RoofPro waterproofing systems
- **KNOWLEDGE**
  You will be kept up to date with changes in the industry that will affect the way you work to ensure best practice at all times.
- **REDUCED RISK**
  As a result of greater understanding, you will benefit from a reduced likelihood of defects requiring a need to return to the project and rectify.
- **PEACE OF MIND**
  Our proven Sikalastic D-15 RoofPro Advanced waterproofing solution has a service life of in excess of 25 years*, meaning that the tested performance exceeds the 20 Year Sika Product Guarantee period when installed correctly and to a high standard.
  *Refer to the Sikalastic D-15 RoofPro Advanced BBA Certificate 21/5863
