

REFURBISHMENT GUARANTEES

AN OVERVIEW

SIKA LIMITED GUARANTEES

Sika Limited are well known for concrete repair, corrosion management and protection products. Using our extensive knowledge of products and applications to repair and maintain concrete structures for many years to come.

This long and successful track record gives us the confidence to offer a comprehensive range of guarantees - providing our clients with the peace of mind expected from partnering with a market leading manufacturer.

GUARANTEED SOLUTIONS BACKED BY FINANCIAL STABILITY

Quality and innovation are just two of the characteristics replicated throughout Sika Limited - visible in our products, our people, our manufacturing processes and our research and development.

Being part of the worldwide Sika Group of companies means that the demand for our products stretches across the globe with subsidiaries in 90 countries around the world and manufactures in over 160 factories. This gives us the advantage of being able to think globally and act locally, and means that we can harness international experience and tailor it for the UK market.

QUALITY PRODUCTS BACKED BY INDEPENDENT ACCREDITATION

Third party accreditation allows us to provide independent proof that our products and services will meet our customers' high expectations.

All of Sika Limited's products have undergone rigorous testing in order to achieve third party accreditations, such as CE marking and ETA (European Technical Approval).

CE

KEY BENEFITS OF SIKA LIMITED GUARANTEES

WHOLE SYSTEM COMPATIBILITY

All Sika Limited's systems and products have been thoroughly tested to ensure compatibility; this means that our guarantee covers all products invoiced by Sika Limited.

STRAIGHTFORWARD TERMS AND CONDITIONS

Our limited terms and conditions are laid out in a very easy to understand manner and are attached to every guarantee. We don't believe in hiding behind complicated get-out clauses and will stand behind our guarantee offer. Our confidence to do this comes from the fact that we strongly advocate comprehensive training for applicators and thorough inspections of their work. Should an issue arise, we have the backing of our multi-billion pound parent company.

REGISTERED CONTRACTORS

When we offer a guarantee, we specify the whole system must be installed by a Sika Limited Registered Contractor. This gives our clients the peace of mind that the installing contractor has been trained to use our products correctly and safely. These projects will also be thoroughly inspected before being signed off for guarantee issue. This is a free of charge service and is a requirement of the guarantee.

FREE OF CHARGE GUARANTEES

There is no charge for any of our guarantees or services.

SUMMARY OF GUARANTEE

We guarantee the Sika Limited systems and products supplied fulfil their function (subject to the Product Data Sheet guidance for the product). In the case of any material defect we shall rectify such defect at our own expense, subject to the limit value.

FOR MORE INFORMATION:

WHO WE ARE

Sika Limited and Sika Ireland Limited are part of the global Sika Group, specialising in the manufacture and supply of chemical based products. Sika have a leading position in the development and production of systems and products for bonding, sealing, damping, reinforcing, and protecting in the building sector and the motor vehicle industry. Sika has subsidiaries in 93 countries around the world and manufactures in over 170 factories. With approximately 17,000 employees Sika generates annual sales of CHF 5.49 billion (£3.98bn). We are also committed to providing quality, service, safety and environmental care.

In the UK and Ireland, we provide market-leading solutions for concrete, waterproofing, roofing, flooring, refurbishment, sealing & bonding, and industry, and have manufacturing sites in Welwyn Garden City, Preston, Leeds and Dublin with more than 700 employees and a turnover of more than £130 million.

The information, and, in particular, the recommendations relating to the application and end use of Sika® products, are given in good faith based on Sika's current knowledge and experience of the products when properly stored, handled and applied under normal conditions. In practice, the differences in materials, substrates and actual site conditions are such that no warranty in respect of merchantability or of fitness for a particular purpose, nor any liability arising out of any legal relationship whatsoever, can be inferred either from this information, or from any written recommendations, or from any other advice offered. The proprietary rights of third parties must be observed. Please refer to our homepage www.sika.co.uk for our current standard terms & conditions applicable to all orders. Users should always refer to the most recent issue of the Product Data Sheet for the product concerned, copies of which will be supplied on request.
