

PRODUCT DATA SHEET

Sikatherm® MW 034 UPT RW1

Mineral fibre insulation with cement particle board facing

PRODUCT DESCRIPTION

Sikatherm® MW 034 UPT RW1 is mineral fibre insulation board with a cement particle board facing.

USES

For use with Sika® inverted roofing systems.

CHARACTERISTICS / ADVANTAGES

- Good impact resistance
- Can be left exposed
- Easy to install
- Low thermal conductivity 0.034W/mk
- Non-combustible – Euroclass A2-s1,d0

PRODUCT INFORMATION

Packaging	Please refer to the current price list.
Shelf Life	Will not expire under normal conditions.
Storage Conditions	Sikatherm® MW 034 UPT RW1 should be stored away from harmful influences and the elements.
Dimensions	1200mm x 600mm, 56mm thick overall (50mm of mineral fibre and 6mm of CPB).
Reaction to Fire	Euroclass A2-s1,d0 EN13501-1

VALUE BASE

All technical data stated in this Product Data Sheet are based on laboratory tests. Actual measured data may vary due to circumstances beyond our control.

ECOLOGY, HEALTH AND SAFETY

APPLICATION INSTRUCTIONS

APPLICATION METHOD / TOOLS

Sikatherm® MW 034 UPT RW1 must be installed by Sika® trained professionals in accordance with the Sika® specification.

LOCAL RESTRICTIONS

Please note that as a result of specific local regulations the performance of this product may vary from country to country. Please consult the local Product Data

Sheet for the exact description of the application fields.

LEGAL NOTES

The information, and, in particular, the recommendations relating to the application and end-use of Sika products, are given in good faith based on Sika's current knowledge and experience of the products when properly stored, handled and applied under normal conditions in accordance with Sika's recommendations. In practice, the differences in materials, substrates and actual site conditions are such that no warranty in respect of merchantability or of fitness for a particular purpose, nor any liability arising out of any legal relationship whatsoever, can be inferred either from this information, or from any written recommendations, or from any other advice offered. The user of the product must test the product's suitability for the intended application and purpose. Sika reserves the right to change the properties of its products. The proprietary rights of third parties must be observed. All orders are accepted subject to our current terms of sale and delivery. Users must always refer to the most recent issue of the local Product Data Sheet for the product concerned, copies of which will be supplied on request.
