

LEED ATTESTATION

Attestation

LEED Product Information acc. to LEED v4 for Building Design and Construction.

Sika certifies based on the present state of knowledge, that the product

Sikadur®-32+

for use in construction of buildings and infrastructure, produced in Sika Plant 1053, Spain, does not contain any intentionally added substances in concentrations above 0.01 % (w/w) from the candidate list published by the ECHA (status September 2020) or subject to authorization (REACH Annex XIV, status September 30th 2020) or substances which are restricted (REACH Annex XVII).

The product Sikadur®-32+ conforms on the LEED v4 MR credit 4 option 2 Building product disclosure and optimization - **Material ingredients**. The product can thus contribute to the attainment of 1 point under this credit.
