

LEED ATTESTATION

Attestation

LEED Product Information acc. to LEED v4 for Building Design and Construction.

Sika certifies based on the present state of knowledge, that the product

Sikafloor®-201 FiberLevel

for use in construction of buildings and infrastructure, produced in Rosendahl, Germany does not contain any intentionally added substances in concentrations above 0.01 % (w/w) from the candidate list published by the ECHA (status July 2021) or subject to authorization (REACH Annex XIV, status 06 February 2020) or substances which are restricted (REACH Annex XVII).

The product Sikafloor®-201 FiberLevel conforms on the LEED v4 MR credit 4 option 2 Building product disclosure and optimization - **Material ingredients**. The product can thus contribute to the attainment of 1 point under this credit.
