

PRODUCT DATA SHEET

Sika Boom® Foam Applicator Gun

Medium duty expanding foam applicator gun

PRODUCT DESCRIPTION

The Sika Boom® Foam Applicator Gun is a durable foam applicator gun which gives the user more control, and allows the user to apply expanding foam precisely and in hard to reach areas.

USES

- Application of all gun grade expanding foams.
- Suitable for both professional and DIY use.

PRODUCT INFORMATION

Packaging	One applicator gun per box
Shelf Life	Not applicable
Storage Conditions	Store in cool dry conditions

VALUE BASE

All technical data stated in this Product Data Sheet are based on laboratory tests. Actual measured data may vary due to circumstances beyond our control.

ECOLOGY, HEALTH AND SAFETY

This product is an article as defined in article 3 of regulation (EC) No 1907/2006 (REACH). It contains no substances which are intended to be released from the article under normal or reasonably foreseeable conditions of use. A safety data sheet following article 31 of the same regulation is not needed to bring the product to the market, to transport or to use it. For safe use follow the instructions given in the product data sheet. Based on our current knowledge, this product does not contain SVHC (substances of very high concern) as listed in Annex XIV of the REACH regulation or on the candidate list published by the European Chemicals Agency in concentrations above

CHARACTERISTICS / ADVANTAGES

- Precise application of gun grade expanding foams.
- Saves unnecessary wastage - with correct cleaning, expanding foams can remain on the gun between jobs.

0,1 % (w/w).

APPLICATION INSTRUCTIONS

APPLICATION

- Carefully read and follow the usage instructions inside the box.

CLEANING OF TOOLS

- Flush well with a cleaner such as Sika Boom® Foam Cleaner until the jet runs clear whilst the expanding foam is still wet.

LOCAL RESTRICTIONS

Please note that as a result of specific local regulations the performance of this product may vary from country to country. Please consult the local Product Data Sheet for the exact description of the application fields.

LEGAL NOTES

The information, and, in particular, the recommendations relating to the application and end-use of Sika products, are given in good faith based on Sika's current knowledge and experience of the products when properly stored, handled and applied under normal conditions in accordance with Sika's recommendations. In practice, the differences in materials, substrates and actual site conditions are such that no warranty in respect of merchantability or of fitness for a particular purpose, nor any liability arising out of any legal relationship whatsoever, can be inferred either from this information, or from any written recommendations, or from any other advice offered. The user of the product must test the product's suitability for the intended application and purpose. Sika reserves the right to change the properties of its products. The proprietary rights of third parties must be observed. All orders are accepted subject to our current terms of sale and delivery. Users must always refer to the most recent issue of the local Product Data Sheet for the product concerned, copies of which will be supplied on request.
