

PRODUCT DATA SHEET

Cromar® Pipe Collar Rainwater Outlet 2"

GRP System rainwater outlet

PRODUCT DESCRIPTION

Cromar® Pipe Collar Rainwater Outlet 2" is a versatile and long-lasting trim accessory that's part of the PRO GRP and Flexiglass liquid roof systems. This pipe collar rainwater outlet is designed to fit over a through-roof pipe and ensures that the outlet is firmly attached to the pipe, providing a weather-proof seal.

The GRP material used to manufacture this outlet provides strength, durability and weather resistance, which means it can withstand harsh weather conditions and is able to direct water away from buildings even in the most challenging conditions. By preventing water build-up on your roof and directing the water away from vulnerable areas, you can reduce the risks of leaks, structural damage and water ingress into the building.

USES

- Used to prevent water build-up on your roof and directing the water away from vulnerable areas.
- Part of the PRO GRP and Flexiglass liquid roofing systems.

CHARACTERISTICS / ADVANTAGES

- Designed to fit over a through-roof pipe.
- Maintains the integrity of the building's exterior.
- Ensures that the outlet is firmly attached to the pipe.
- Famed for its strength, durability and weather resistance.
- Hot-press-moulded, versatile and long-lasting trim accessory.
- Reduces the risk of leaks, structural damage and water ingress.

PRODUCT INFORMATION

Packaging	Boxed
Colour	Grey
Shelf Life	Physical plastic items have not had their shelf life determined due to longevity
Storage Conditions	The product must be stored properly in original, unopened and undamaged packaging, in dry conditions at temperatures between +5 °C and +30 °C

VALUE BASE

All technical data stated in this Product Data Sheet are based on laboratory tests. Actual measured data may

vary due to circumstances beyond our control.

ECOLOGY, HEALTH AND SAFETY

This product is an article as defined in article 3 of regulation (EC) No 1907/2006 (REACH). It contains no substances which are intended to be released from the article under normal or reasonably foreseeable conditions of use. A safety data sheet following article 31 of the same regulation is not needed to bring the product to the market, to transport or to use it. For safe use follow the instructions given in the product data sheet. Based on our current knowledge, this product does not contain SVHC (substances of very high concern) as listed in Annex XIV of the REACH regulation or on the candidate list published by the European Chemicals Agency in concentrations above 0,1 % (w/w).

APPLICATION INSTRUCTIONS

All roof work should be completed in accordance with the British Standard codes of conduct.

LOCAL RESTRICTIONS

Please note that as a result of specific local regulations the performance of this product may vary from country to country. Please consult the local Product Data Sheet for the exact description of the application fields.

LEGAL NOTES

The information, and, in particular, the recommendations relating to the application and end-use of Sika products, are given in good faith based on Sika's current knowledge and experience of the products when properly stored, handled and applied under normal conditions in accordance with Sika's recommendations. In practice, the differences in materials, substrates and actual site conditions are such that no warranty in respect of merchantability or of fitness for a particular purpose, nor any liability arising out of any legal relationship whatsoever, can be inferred either from this information, or from any written recommendations, or from any other advice offered. The user of the product must test the product's suitability for the intended application and purpose. Sika reserves the right to change the properties of its products. The proprietary rights of third parties must be observed. All orders are accepted subject to our current terms of sale and delivery. Users must always refer to the most recent issue of the local Product Data Sheet for the product concerned, copies of which will be supplied on request.
