

PRODUCT DATA SHEET

EVERBUILD® BRUSH RESTORER

solvent-based liquid brush restorer

PRODUCT DESCRIPTION

EVERBUILD® BRUSH RESTORER is a thin solvent based liquid which removes paint from dried up and old hardened brushes.

USES

Works on most paints and is water washable.

PRODUCT INFORMATION

Packaging	500ml bottle
Shelf Life	24 months
Storage Conditions	Store in cool dry conditions away from direct sunlight and sources of ignition between 5-20°C. Store in original container

CHARACTERISTICS / ADVANTAGES

- Cleans up with water
- Powerful fast acting formula.

APPLICATION INSTRUCTIONS

APPLICATION

Before opening container thoroughly read health and safety section and wear equipment detailed. Hold container away from face when removing cap. Store product upright at all times with lid securely fastened. Use in well-ventilated areas and protect all surrounding areas from accidental splashes. Do not smoke whilst using this product.

Pour EVERBUILD® BRUSH RESTORER into a metallic or glass jar. Do not use plastic. Immerse brushes and leave to soak for a minimum of 2 hours or preferably overnight. When paint begins to soften agitate the brushes against the bottom of the jar to loosen paint fragments. Repeat if necessary. Wash brushes with clean water.

LIMITATIONS

- Use only as directed
- Store in original container.
- Do not allow to come into contact with plastics, textiles or floor coverings.
- May not work on some high performance paints such as PU / Epoxy based.
- It is users responsibility to determine suitability for use. If in doubt please contact technical services for advice.

VALUE BASE

All technical data stated in this Data Sheet are based on laboratory tests. Actual measured data may vary due to circumstances beyond our control.

LOCAL RESTRICTIONS

Note that as a result of specific local regulations the declared data and recommended uses for this product may vary from country to country. Consult the local Product Data Sheet for exact product data and uses.

ECOLOGY, HEALTH AND SAFETY

For hazards consult MSDS.

LEGAL NOTES

The information, and, in particular, the recommendations relating to the application and end-use of Sika products, are given in good faith based on Sika's current knowledge and experience of the products when properly stored, handled and applied under normal conditions in accordance with Sika's recommendations. In practice, the differences in materials, substrates and actual site conditions are such that no warranty in respect of merchantability or of fitness for a particular purpose, nor any liability arising out of any legal relationship whatsoever, can be inferred either from this information, or from any written recommendations, or from any other advice offered. The user of the product must test the product's suitability for the intended application and purpose. Sika reserves the right to change the properties of its products. The proprietary rights of third parties must be observed. All orders are accepted subject to our current terms of sale and delivery. Users must always refer to the most recent issue of the local Product Data Sheet for the product concerned, copies of which will be supplied on request.
