

## PRODUCT DATA SHEET

# EVERBUILD® MAMMOTH® GET A GRIP ON RUGS

Non-slip adhesive foundation for securing rugs to carpets

### PRODUCT DESCRIPTION

A simple solution that secures rugs and mats to carpets, providing a safe, non-slip foundation. Quick and easy to use, the adhesive section simply adheres to the underside of the rug and the tiny hooks on the reverse grab the carpet, keeping it in place. Can be used around the home, business and even in cars to stop car mats from slipping.

### USES

- Securing rugs to carpets
- Can be used around the home, business and even in cars to stop car mats from slipping

### CHARACTERISTICS / ADVANTAGES

- Quick and easy to use
- Provides a safe, non-slip foundation

### PRODUCT INFORMATION

Packaging	25mm x 6m rolls
Appearance / Colour	White
Shelf Life	3 years from the date of manufacture
Storage Conditions	Store between 5°C and 25°C in dry conditions.

### APPLICATION INSTRUCTIONS

#### SUBSTRATE PREPARATION

Ensure rug / mat underside is dry, free from dust and contamination.

#### APPLICATION METHOD / TOOLS

Remove outer packaging from roll of tape. Peel required amount of tape from roll pressing firmly into place on the underside of the rug / mat while unrolling. Tear off or cut with a knife when finished. Position rug on carpet, the rug can be moved by peeling away from the carpet.

### LIMITATIONS

General care should be taken as it cannot be guaranteed that the rug or mat will not move.

Over time the hooks can become flattened reducing the grip on the carpet.

### VALUE BASE

All technical data stated in this Data Sheet are based on laboratory tests. Actual measured data may vary due to circumstances beyond our control.

### LOCAL RESTRICTIONS

Note that as a result of specific local regulations the declared data and recommended uses for this product may vary from country to country. Consult the local Product Data Sheet for exact product data and uses.

## ECOLOGY, HEALTH AND SAFETY

User must read the most recent corresponding Safety Data Sheets (SDS) before using any products. The SDS provides information and advice on the safe handling, storage and disposal of chemical products and contains physical, ecological, toxicological and other safety-related data.

## LEGAL NOTES

The information, and, in particular, the recommendations relating to the application and end-use of Sika products, are given in good faith based on Sika's current knowledge and experience of the products when properly stored, handled and applied under normal conditions in accordance with Sika's recommendations. In practice, the differences in materials, substrates and actual site conditions are such that no warranty in respect of merchantability or of fitness for a particular purpose, nor any liability arising out of any legal relationship whatsoever, can be inferred either from this information, or from any written recommendations, or from any other advice offered. The user of the product must test the product's suitability for the intended application and purpose. Sika reserves the right to change the properties of its products. The proprietary rights of third parties must be observed. All orders are accepted subject to our current terms of sale and delivery. Users must always refer to the most recent issue of the local Product Data Sheet for the product concerned, copies of which will be supplied on request.
