2014 SIKA SARNAFIL CONTRACTOR AWARDS GREAT SUCCESS

Sika Sarnafil celebrated and rewarded its contractors at the 2014 Sika Sarnafil Contractor Awards. The inaugural awards are to celebrate the outstanding achievements and reward good practice of the very best registered Sika Sarnafil contractors in the UK.

The most coveted award of the evening, the 'Outstanding Contribution to Quality Award 2014' was presented by award sponsor SFS and was scooped up by Richmond Roofing (single ply) Ltd. This award was presented to the contractor who over the past year has demonstrated consistent quality to all customer facing departments within Sika Sarnafil.

There were eight category winners as voted for by members of the Quality Assured Contractor Programme. ABC Roofing for Emmanuel House won the 'Application Project of the Year', Gray and Jarrett Limited won 'Application Team of the Year', RLW Roofing Ltd were crowned winners of the 'In Partnership Award', 'Specialist Project of the Year' went to Cambridge Polymer Roofing, 'Refurbishment Project of the Year' was awarded to Owlsworth Roofing, Lakesmere won 'PR Project of the Year' and Cambridge Polymer Roofing for Wormsley Island Pavilion won 'Sustainable Project of the Year'.

Sika UK General Manager Ivo Schaedler comments on the winnings, "The support we receive from Richmond Roofing in securing both Sarnafil specified and open spec projects is second to none, epitomising the very idea of working in a truly successful partnership. This contractor is unwavering in its loyalty and commitment to quality from pricing through to installation, and we are proud to associate with such a prominent and well respected business.

NOTES TO EDITORS:

Established in 1980 as an early pioneer in the use of single ply membranes in the UK roofing market, Sika Sarnafil is now the recognised market-leading brand in the supply of single ply systems for new and refurbishment projects for buildings of all sizes and functions. Offering a complete roofing solution, the Sika Sarnafil system is backed by comprehensive and tailored service options ranging from design and specification support, to installation through Sika Sarnafil-trained contractors and site inspections complete with industry-leading guarantees.

Sika Sarnafil is a wholly owned subsidiary of the Sika Group, a global company based in Switzerland specialising in the manufacture and supply of chemical-based products for construction and industry. Celebrating its centenary in 2010, Sika is a recognised world-leader in its field and is committed to providing unrivalled innovation in product development, the highest standards of manufacturing, sustainable development and renowned technical advice and in-situ guidance. As a result, Sika has subsidiaries in more than 70 countries and generates annual sales of approximately CHF 4.556 billion.
