

## PRODUCT DATA SHEET

# SikaRoof® WFRL X MK

A water flow reducing layer (WFRL) manufactured from polyethylene geotextile.

### PRODUCT DESCRIPTION

SikaRoof® WFRL X MK is a polyethylene geotextile water flow reducing layer (WFRL). A WFRL is a critical component of a Sikaf® inverted flat roof, minimising heat loss due to potential rainwater cooling effect.

### USES

The installation of Sikatherm® GLF 500 FG1 and Sikatherm® GLF 400 FG1 cellular glass thermal insulation.

### CHARACTERISTICS / ADVANTAGES

Robust and lightweight

### PRODUCT INFORMATION

<b>Packaging</b>	3m x 100m roll
<b>Shelf Life</b>	will not expire under normal conditions
<b>Storage Conditions</b>	Store away from harmful influences

### VALUE BASE

All technical data stated in this Product Data Sheet are based on laboratory tests. Actual measured data may vary due to circumstances beyond our control.

### FURTHER DOCUMENTS

Reference must be made to further documentation where applicable, such as relevant Sika specifications, application manual and installation or working instructions.

### LIMITATIONS

Installation work must only be carried out by Sika®

trained contractors, experienced in this type of application.

### ECOLOGY, HEALTH AND SAFETY

This product does not contain any substances to be mentioned according to the criteria of section 3.2 of REACH Annex II.

### LOCAL RESTRICTIONS

Please note that as a result of specific local regulations the performance of this product may vary from country to country. Please consult the local Product Data Sheet for the exact description of the application fields.

## LEGAL NOTES

The information, and, in particular, the recommendations relating to the application and end-use of Sika products, are given in good faith based on Sika's current knowledge and experience of the products when properly stored, handled and applied under normal conditions in accordance with Sika's recommendations. In practice, the differences in materials, substrates and actual site conditions are such that no warranty in respect of merchantability or of fitness for a particular purpose, nor any liability arising out of any legal relationship whatsoever, can be inferred either from this information, or from any written recommendations, or from any other advice offered. The user of the product must test the product's suitability for the intended application and purpose. Sika reserves the right to change the properties of its products. The proprietary rights of third parties must be observed. All orders are accepted subject to our current terms of sale and delivery. Users must always refer to the most recent issue of the local Product Data Sheet for the product concerned, copies of which will be supplied on request.
