

PRODUCT DATA SHEET

Cromar[®] Cap Sheet Green Mineral

Mineral-surfaced bituminous roofing membrane

PRODUCT DESCRIPTION

Designed for use as the top layer in built-up flat roofing systems.

Manufactured using a traditional rag fibre carrier, the sheet is fully coated with oxidised bitumen and finished with a green mineral granule surface to provide long-term protection against UV degradation and weathering.

USES

- Green mineral-surfaced finish provides UV protection and an attractive appearance.
- Rag fibre reinforced carrier offers good application characteristics.
- Suitable for traditional pour-and-roll installation methods.
- Final layer within a traditional built up flat roof system on portable buildings such as garden sheds, kennels, and other non-habitable buildings.

CHARACTERISTICS / ADVANTAGES

- Green mineral-surfaced finish provides UV protection and an attractive appearance.
- Rag fibre reinforced carrier offers good application characteristics.
- Suitable for traditional pour-and-roll installation methods.
- Can be easily cut and formed using standard hand tools.
- Proven performance when installed as part of a correctly specified built-up roofing system.

PRODUCT INFORMATION

Packaging	Sleeved
Colour	Green
Shelf Life	18 months
Storage Conditions	Do not drag rolls across rough surfaces, always lift. Rolls should be stored upright on a dry surface. During colder periods it is recommended that rolls are stored in a temperature above + 10 °C for 24 hours prior to use. During storage exposure to direct sunlight is to be avoided. Do not use in temperatures below + 5 °C.
Dimensions	1 m x 10 m
Mass per unit area	3.4 kg m ²
Felt weight	34 kg
Tensile Strength	410 N/50 mm MD 240 N/50 mm CD

Elongation	3 % MD 5 % CD
Tear Strength	105 N MD 110 N CD
Reaction to Fire	EN 13501-1 Class F

VALUE BASE

All technical data stated in this Product Data Sheet are based on laboratory tests. Actual measured data may vary due to circumstances beyond our control.

ECOLOGY, HEALTH AND SAFETY

This product is an article as defined in article 3 of regulation (EC) No 1907/2006 (REACH). It contains no substances which are intended to be released from the article under normal or reasonably foreseeable conditions of use. A safety data sheet following article 31 of the same regulation is not needed to bring the product to the market, to transport or to use it. For safe use follow the instructions given in the product data sheet. Based on our current knowledge, this product does not contain SVHC (substances of very high concern) as listed in Annex XIV of the REACH regulation or on the candidate list published by the European Chemicals Agency in concentrations above 0,1 % (w/w).

APPLICATION INSTRUCTIONS

Complete all roofing work in line with the latest British Standard codes or conduct.

LOCAL RESTRICTIONS

Please note that as a result of specific local regulations the performance of this product may vary from country to country. Please consult the local Product Data Sheet for the exact description of the application fields.

LEGAL NOTES

The information, and, in particular, the recommendations relating to the application and end-use of Sika products, are given in good faith based on Sika's current knowledge and experience of the products when properly stored, handled and applied under normal conditions in accordance with Sika's recommendations. In practice, the differences in materials, substrates and actual site conditions are such that no warranty in respect of merchantability or of fitness for a particular purpose, nor any liability arising out of any legal relationship whatsoever, can be inferred either from this information, or from any written recommendations, or from any other advice offered. The user of the product must test the product's suitability for the intended application and purpose. Sika reserves the right to change the properties of its products. The proprietary rights of third parties must be observed. All orders are accepted subject to our current terms of sale and delivery. Users must always refer to the most recent issue of the local Product Data Sheet for the product concerned, copies of which will be supplied on request.
