

PRODUCT DATA SHEET

EVERBUILD® Foam Eater

Removes cured polyurethane expanding foams from a multitude of surfaces

PRODUCT DESCRIPTION

EVERBUILD® Foam Eater is a revolutionary paste designed for the safe removal of cured PU foam and adhesives from most substrates. EVERBUILD® Foam Eater may be used both inside and outside and its paste-like consistency makes it suitable for both vertical and horizontal applications. EVERBUILD® Foam Eater is especially suitable for removal of foam residues from window and doorframes.

USES

May be used on all common window and door frames, most plastics, brick, stone concrete, certain textiles and painted surfaces.

CHARACTERISTICS / ADVANTAGES

- Readily digests cured PU Foam
- Ready for use paste - may be used vertically as well as horizontally with no slump
- Works on Wood, Metals, Glass and PVC
- Water cleanup

Odour	Mild
Solubility	Miscible with water
Application Temps	+5 to +30°C
Time Taken For Effect	1 hour max

PRODUCT INFORMATION

Packaging	250ml tin
Appearance / Colour	Paste
Colour	Beige
Shelf Life	36 months from date of manufacture
Storage Conditions	Store in cool dry conditions between + 5°C and 25°C. Avoid all contact with moisture. After several weeks of storage, fluid may form on the surface of the paste. Simply remix with a spatula before use. This does not affect the quality of the product.
Density	ca. 1.4g/cm ³
Viscosity	Highly viscous

APPLICATION INFORMATION

Consumption	250ml per pack will cover ca. 0.125m ² at 2mm thickness
--------------------	--

APPLICATION INSTRUCTIONS

SUBSTRATE PREPARATION

All surfaces must be clean and dry. Foam must be cured. If the foam is in its uncured state, remove with Everbuild Dual Purpose Foam Cleaner.

Cut away as much as possible of the cured foam using a sharp knife. Protect surrounding areas with impervious tape

APPLICATION METHOD / TOOLS

Open tub and apply using a wooden spatula or similar in a 1-2mm thick layer over the surface.

Leave for 1 hour and simply wipe off with a damp cloth. If residues still remain, simply repeat the procedure. Do not exceed a dwell time of 1 hour per application.

LIMITATIONS

Always test a small area before use. In all cases, apply a small test patch to an inconspicuous area. Leave for 1 hour and wipe off with a damp cloth. Check for staining/corrosion before attempting the whole job. May attack certain fabrics/textiles (PU foam backed), PU coated (re-enameled) baths and any surface containing PU.

Natural stones and marble may be stained by the application of EVERBUILD® Foam Eater.

VALUE BASE

All technical data stated in this Data Sheet are based on laboratory tests. Actual measured data may vary due to circumstances beyond our control.

LOCAL RESTRICTIONS

Note that as a result of specific local regulations the declared data and recommended uses for this product may vary from country to country. Consult the local Product Data Sheet for exact product data and uses.

ECOLOGY, HEALTH AND SAFETY

User must read the most recent corresponding Safety Data Sheets (SDS) before using any products. The SDS provides information and advice on the safe handling, storage and disposal of chemical products and contains physical, ecological, toxicological and other safety-related data.

LEGAL NOTES

The information, and, in particular, the recommendations relating to the application and end-use of Sika products, are given in good faith based on Sika's current knowledge and experience of the products when properly stored, handled and applied under normal conditions in accordance with Sika's recommendations. In practice, the differences in materials, substrates and actual site conditions are such that no warranty in respect of merchantability or of fitness for a particular purpose, nor any liability arising out of any legal relationship whatsoever, can be inferred either from this information, or from any written recommendations, or from any other advice offered. The user of the product must test the product's suitability for the intended application and purpose. Sika reserves the right to change the properties of its products. The proprietary rights of third parties must be observed. All orders are accepted subject to our current terms of sale and delivery. Users must always refer to the most recent issue of the local Product Data Sheet for the product concerned, copies of which will be supplied on request.
